1. Your year at a glance

Business in your chart: Strong (compared with typical charts)

Best months Dec 2026, Jan 2027, Feb 2027

Running period Mercury – Saturn, until Jun 2029

One thing to do Read or learn something daily and keep your word in small matters.

The year ahead carries a strong, steady current for your business. The traditional reading points to your 7th house of partnerships being unusually fortified: Saturn, the planet of patience and endurance, sits there in its own sign, giving it exceptional strength and durability. This suggests that the coming twelve months are less about sudden leaps and more about building something solid that can last, especially through joint ventures, collaborations, or client relationships that deepen over time.

The traditional reading links the months of December 2026 through February 2027 to a particularly productive stretch, when your efforts in partnerships are likely to feel most rewarding. September 2027 appears slower, a natural pause for consolidation rather than expansion. Overall, the year supports steady, committed work over flashy moves, with your gains coming through the reliable structures you build now.

2. What your chart shows for business

Working for you
- A strong 9th lord with the 1st, 2nd, 7th and 12th occupied, or with Jupiter, Venus and the Lagna lord in mutual quadrants (Bheri), gives wealth, family and fame.
- Saturn has directional strength (Dig Bala) in the 7th: steadiness, patience and durable partnerships.
- An exalted Jupiter, Venus or Mercury, with a benefic in an angle, brings near-royal standing.

Needs care
- The Dara Pada 6th, 8th or 12th from the Arudha Lagna strains finances and harmony between spouses.
- The 8th lord is in the 7th: two marriages are possible; with malefics, business and partnerships need caution.

The key conditions
- Your 7th house is Capricorn; its lord Saturn sits in the same house, in its own sign (strong), retrograde.
- Saturn has 7.09 rupas of Shadbala, 142% of what it needs: strong enough to deliver.
- Saturn sits in your 7th house.
- Sun, Jupiter aspect your 7th house.

3. Month by month

Each month is ranked against your own twelve months, from the planetary period running most of the month and the transits (the traditional reading). At most four months carry the top label. ⋆ Jupiter and Saturn together activate your business that month.

Month	Outlook	What to do
Dec 2026	Best of your year	A favorable shift around the 6th supports partnerships and new ventures; the traditional reading links these months to expansion. Stay grounded as an inner pull may tempt you to act impulsively — keep plans practical. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027** Rahu enters Capricorn on 6 Dec: your 7th house, 3rd from the Moon (favourable); Ketu enters Cancer on 6 Dec: your 1st house, 9th from the Moon (less favourable).
Jan 2027	Best of your year	With a beneficial influence entering your sign on the 25th, this is a time to step forward confidently in business. Use the momentum to strengthen your position, but keep a clear head in negotiations. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027** Jupiter enters Cancer on 25 Jan: your 1st house, 9th from the Moon (favourable).
Feb 2027	Best of your year	The traditionally favourable period continues, favoring steady progress and consolidation. Focus on building long-term structures rather than chasing quick wins; avoid overextending your resources. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**
Mar 2027	Best of your year	This month maintains the strong flow, ideal for refining your strategies and deepening client relationships. Avoid letting minor setbacks derail your focus; keep your eyes on the bigger picture. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**
Apr 2027	Around average	The pace evens out, so prioritize consistency over bold moves. A favorable influence from the Sun suggests clarity in daily operations; avoid unnecessary risks in new ventures. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**
May 2027	Around average	Steady progress is the theme; focus on improving efficiency and customer satisfaction. Avoid making major commitments without thorough review, as the outlook is even but not spectacular. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**
Jun 2027	Around average ★	A favorable Saturn shift on the 3rd supports career and reputation, but a less helpful Jupiter move later in the month calls for caution. Keep operations stable and avoid overexpansion. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027** Saturn enters Aries on 3 Jun: your 10th house, 6th from the Moon (favourable); Jupiter enters Leo on 26 Jun: your 2nd house, 10th from the Moon (less favourable).
Jul 2027	Around average	The steady trend continues, so maintain your routines and manage cash flow carefully. Avoid new partnerships or big changes; instead, nurture existing relationships and fine-tune processes. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**
Aug 2027	Around average	A favorable Sun influence from mid-month aids visibility and authority. Continue steady progress, but avoid launching major initiatives; focus on strengthening your current base. **The traditional reading links: 28 Nov 2026 – 5 Aug 2027**

Month	Outlook	What to do
Sep 2027	Slower	The traditional reading does not favour this now, so it's wise to go slow. Avoid new investments or expansions; instead, review your plans and address any lingering issues quietly.
Oct 2027	Better than most	A good window opens from the 2nd to the 31st, offering a brief traditionally favourable stretch. Use it to make important moves or close deals, but be mindful of a less favorable Saturn shift on the 20th. **The traditional reading links: 2 Oct 2027 – 31 Oct 2027** Saturn enters Pisces on 20 Oct: your 9th house, 5th from the Moon (less favourable).
Nov 2027	Better than most	A favorable Jupiter influence on the 27th adds a positive note, but the overall period is moderate. Focus on networking and preparing for future growth rather than immediate large gains. Jupiter enters Virgo on 27 Nov: your 3rd house, 11th from the Moon (favourable).

5. What helps

This year, your business grows best through steady habits rather than dramatic moves. Make it a practice to read or learn something new every single day—even twenty minutes—because that knowledge quietly sharpens your decisions. Equally, keep your word in small matters: returning a call, meeting a deadline, honoring a handshake. These tiny consistencies build the trust that partnerships and gains depend on. When you face a choice, favor the slower, more honest option; it pays you back over time. The traditional remedy for this period is to strengthen Jupiter by chanting “Om Graam Greem Graum Sah Gurave Namah” 108 times on Thursdays, and to offer chana dal, turmeric, or books to a Dakshinamurthy shrine—this supports your efforts, though it never replaces the work itself.

To strengthen	
Planet	Jupiter
Why	Jupiter rules your 6th and 9th houses and supports this matter
Mantra	Om Graam Greem Graum Sah Gurave Namah: 108 times, especially on Thursdays
Charity	chana dal, turmeric or books on Thursdays
Deity	Dakshinamurthy or Vishnu
Gemstone	Yellow Sapphire (Pukhraj) (or yellow topaz or citrine), in gold, on the index finger, first worn on a Thursday: only after an astrologer checks your full chart, and after a short trial period; Jupiter also rules your 6th, so ask your astrologer to weigh this

To pacify	
Planet	Saturn
Why	the running Saturn period: Saturn rules your 7th and 8th houses
Mantra	Om Praam Preem Praum Sah Shanaischaraya Namah: 108 times, especially on Saturdays
Charity	sesame, mustard oil or black urad on Saturdays; help the elderly or labourers
Deity	Hanuman or Shani
Gemstone	Not advised for this; the mantra is enough.

Remedies support effort; they do not replace it. Gemstones only after a personal check by an astrologer.
