Career in your chart: Strong (compared with typical charts)

Best months Jul 2027, Oct 2027, Nov 2027

Running period Mercury – Saturn, until Jun 2029
Saturn not in Sade Sati
One thing to do Offer water to the rising Sun and keep a steady morning routine.

Looking at the year from November 2026 through October 2027, your career carries real momentum, and the traditional reading points to steady, earned progress rather than sudden leaps. The strongest support comes from Mars, the planet of action and drive, which rules both your 10th house of profession and your 5th house of intelligence. This combination, known as a Raja Yoga, suggests that authority and recognition tend to come through your own merit, sharp thinking, and consistent effort, not through luck or shortcuts. Your 10th house also carries unusually strong numerical strength in the Ashtakavarga system, which astrologers take as a sign of resilience and staying power in work matters. The current Mercury–Saturn period, running until June 2029, is considered traditionally favourable for this, so the overall tone of the year leans constructive.

The months of July, October, and November 2027 stand out as the most productive stretches, when initiatives you begin are more likely to gain traction and visible results. December 2026 through February 2027 looks slower, a phase better suited to consolidating what you already have rather than pushing new agendas. During those quieter months, expect some friction or delays, possibly linked to workplace politics or unclear support from superiors, but nothing that should derail your longer arc.

2. What your chart shows for career

Working for you
- Mars alone rules both the 5th house and the 10th house (Raja Yoga): authority gained through merit and intelligence.
- The lords of the 4th and 10th, exchanged or conjoined, and joined or aspected by the 5th or 9th lord, give high official status.
- A natural benefic occupies the 10th from the Lagna or the Moon (Amala Yoga): spotless reputation and virtuous conduct.

Needs care
- Malefics on the 10th from the Karakamsha bring setbacks in work and less support from the father.
- The 10th and 12th lords are conjoined, which can bring decline, demotion or setbacks in business unless benefics help.

The key conditions
- Your 10th house is Aries; its lord Mars sits in your 2nd house, in a friendly sign, and is a yogakaraka for your Lagna.
- Rahu aspects your 10th house.

- Your 10th house has 36 Ashtakavarga bindus (strong; 28 is typical).
- From your Moon sign Scorpio, the 10th is Leo, holding Mars, Mercury, Venus; its lord Sun is in your 1st house.

3. Month by month

Month	Outlook	What to do
Dec 2026	Slower	Keep your head down and avoid major career moves; the slower rhythm is tied to the 6th lord. Rahu shifts into your partnership house, hinting at collaboration—but let it settle before acting. Rahu enters Capricorn on 6 Dec: your 7th house, 3rd from the Moon (favourable); Ketu enters Cancer on 6 Dec: your 1st house, 9th from the Moon (less favourable).
Jan 2027	Slower	A quiet month for career; the 6th lord connection urges patience. Jupiter moves into your 1st house, bringing personal growth, but it's not the moment to push professional plans. Jupiter enters Cancer on 25 Jan: your 1st house, 9th from the Moon (favourable).
Feb 2027	Slower	Continue to hold steady; the 6th lord influence suggests routine work over bold initiatives. Avoid overcommitting to new projects, as energy for career expansion is limited now.
Mar 2027	Around average	The pace picks up slightly, with a traditionally favourable window opening from 19 Mar. Focus on consolidating your position rather than launching something new; steady effort pays off. **The traditional reading links: 19 Mar 2027 – 31 Oct 2027**

4. Your questions answered

Which fields suit me best?

Fields tied to Mercury and Venus suit you best. Mercury-related work like trade, accounts, writing, IT, or communication fits because your 10th lord Mars sits in Gemini in the Navamsa, a sign ruled by Mercury. Venus-related fields like arts, design, fashion, entertainment, luxury goods, hotels, or vehicles also suit you, as Venus is your Amatyakaraka, the Jaimini significator of work.

Traditional reading; not yet tested against dated lives.

Job or business: which suits me?

Both job and business suit you equally, so the choice depends on your preference and circumstances. Your job strength is strong because your 10th house is Aries, and its lord Mars sits in your 2nd house in a friendly sign, and is a yogakaraka for your Lagna. Your business strength is also strong because your 7th house is Capricorn, and its lord Saturn sits in the same house in its own sign, though retrograde, giving stability.

Traditional reading; not yet tested against dated lives.

Will I get a promotion or raise this year?

Yes, likely · The traditional reading links 19 Mar 2027 – 31 Oct 2027

Yes, likely for a promotion or raise this year. The traditional reading links 19 Mar 2027 to 31 Oct 2027 to this, and your running Mercury–Saturn period supports it. Your 10th lord Mars is strong in the 2nd house, and Mars alone rules both the 5th and 10th houses, a Raja Yoga granting authority through merit, though Rahu's aspect on the 10th may bring minor setbacks.

Traditional reading; not yet tested against dated lives.

Is this a good year to change jobs? When?

Yes, likely · The traditional reading links 19 Mar 2027 – 31 Oct 2027

Yes, likely a good year to change jobs, especially from 19 Mar 2027 to 31 Oct 2027. Your running Mercury–Saturn period supports this, and your 10th lord Mars is well placed in a friendly sign, giving authority through merit. However, Rahu's aspect on the 10th house suggests you should weigh offers carefully, as malefics on the 10th can bring work setbacks.

Traditional reading; not yet tested against dated lives.

Are there chances of working abroad?

Yes, likely · The traditional reading links 19 Mar 2027 – 31 Oct 2027

Yes, likely for working abroad, particularly from 19 Mar 2027 to 31 Oct 2027. Your running Mercury–Saturn period supports this, and Rahu aspects your 10th house, often linked to foreign connections. Your 10th lord Mars is strong, aiding career growth, but be mindful of potential work-related challenges during this time.

Traditional reading; not yet tested against dated lives.

Do I have government job chances?

Yes, likely · The traditional reading links 2 Oct 2027 – 31 Oct 2027

Yes, likely for government job chances, with the traditional reading highlighting 2 Oct 2027 to 31 Oct 2027, and a secondary window from 19 Mar 2027 to 5 Aug 2027. Your running Mercury–Saturn period is neutral, but your 10th lord Mars is strong, and Mars ruling both the 5th and 10th houses gives authority. However, the Sun has no direct link to your 10th house, so government roles may require extra effort.

Which months need care at work?

The months needing care at work are Dec 2026, Jan 2027, and Feb 2027. During this time, be extra cautious with decisions, communications, and deadlines, as the traditional reading suggests potential challenges. Stay patient and avoid major career moves until the period passes.

5. What helps

This year, the traditional reading links your career to a steady, disciplined approach rather than dramatic leaps. Make a habit of starting your day with a fixed morning routine—offering water to the rising Sun, as the practice suggests, and setting one clear priority before checking messages. This grounds you when work feels heavy. Also, choose consistency over brilliance: finish what you begin, even if it is small, because your running Saturn period rewards patient effort over flashy moves. For status and recognition, quietly strengthen your inner drive by taking on tasks that require courage, since Mars supports your work houses. The remedy for this: chant Om Kraam Kreem Kraum Sah Bhaumaya Namah 108 times, especially on Tuesdays, to support Mars—though remedies support effort, they do not replace it.
